

WV HIPP

The West Virginia Health Insurance Premium Payment Program

Are there one or more Medicaid recipients in your family? Do you have access to commercial health insurance? If so, you may be eligible to enroll in your employer's health plan, **at no cost to you**. You may apply for the Health Insurance Premium Payment (HIPP) program at any time of the year, even outside of your employer's open enrollment period if you have employer-sponsored insurance.

WV HIPP is sponsored by West Virginia Bureau for Medical Services. It helps Medicaid recipients and their families gain access to an expanded number of healthcare providers. It may even cover out-of-pocket expenses for Medicaid enrollees.
